Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated that the case could be placed in condition for allowance upon an examiner's amendment. Applicant's representative inquired whether the proposed changes could be faxed so that he could review the changes himself, and if necessary, with Applicant or a person most suited to review the changes. The examiner indicated that the proposed amendment would be faxed to Applicant. On April 28th, 2010, the examiner faxed the proposed changes along with explanations of the changes. A copy of the faxed document (without the cover sheet) is attached to the instant interview summary as an office action appendix. On May 3rd, 2010, Rodney DeKruif called the examiner to confirm receipt of the faxed document and indicated that after appropriate review of the proposed changes, he would contact the examiner and indicate whether the proposed changes are acceptable.
